

Halves

Home Link 8-2

NAME _____

DATE _____

Family Note

Today your child began exploring fractions. Children divided circles and rectangles into two equal parts and identified and named halves.

Please return this Home Link to school tomorrow.

- ① Divide each square into 2 equal shares.
Try to divide each square in a different way.

- ② Name one of the shares.

Practice

- ③ Use two of the digits in each group.
Write the smallest 2-digit number you can.

3, 1, 4, 5

9, 7, 8, 6
