### Family Note

Today your child solved more vending machine number stories and practiced adding and subtracting 2-digit numbers using a variety of strategies. Your child also wrote number stories and represented them with number models. Provide pennies and dimes for solving the problems below.

*Please return this Home Link to school tomorrow.*

Solve the problems and write the number models.  
Ramona has 44¢. Scott has 26¢. A stamp costs 46¢.

- ① Can Ramona or Scott buy a stamp? \_\_\_\_\_
- ② How much more money does Ramona need? \_\_\_\_\_ ¢
