

Kitten's First Full Moon U5W2

By: Kevin Henkes

Essential Question: What can you see in the sky?

Skill: Cause and Effect (Events in the plot happen for a reason, or cause. The effect is what happens because of the cause.)

Cause		Effect
The bowl of milk is still waiting.		Kitten chases it.
Kitten leaps into the pond.		Kitten gets wet, sad, tired, and hungry.
Kitten goes home.		A bowl of milk waits for Kitten.
