

Measure and Compare

These scissors are
5 paper clips long.

I got the same
answer when
I measured.

What You Need

Measurement Cards, page 262
paper-clip ruler
scissors

What To Do

- 1 Cut out the Measurement Cards.
- 2 Pick a Measurement Card for the group.
Everyone measures the object described on the card.
- 3 Compare answers with the group.
Talk about it until you agree on the length.
- 4 Keep going until all the Measurement Cards are used.

Talk About It

How did you figure out which measurement was correct?

Measure a pair
of scissors.
